FDD Abstract of

RECONSTRUCTION OF FRANKFURT/ODER

25X1A

This photostated document consists of

- A) Cover letter dated 10 April 1951, from State Secretary Rumpf of the GDR Finance Ministry, in connection with the transmittal of the Resolution of 29 March 1951 for the Institution of Immediate Measures for the Reconstruction of Frankfurt/Oder to Karl Pauligk, HA I (Main Dept., National Budget) and (fnu) Schnauffer, HA III (Main Dept., Currency, Credit, Banking). Special attention is called to paragraph 2 of the resolution, which provides for the rebuilding of destroyed dwellings, the building of new housing facilities, and the repair of the City Hall.
- B) The above-mentioned Resolution for the Institution of Immediate Measures for the Reconstruction of Frankfurt/Oder, in accordance with the Resolution of the Ministerial Council, dated 1 February 1951. The introductory paragraph of the resolution states that the manufacturing facilities in Frankfurt/Oder are being utilized only 50 - 80%, whereas the industrial production of the GDR in general exceeds prewar outputs by 112%. To assure capacity production in Frankfurt/Oder, the Ministry for Heavy Machines and the Government of Land Brandenburg are ordered to proceed at once with the execution of the following projects, in addition to their tasks under the 1951 Economic Plan:
